Davy van Loon Appointed as New CEO of Hard Trans Kft, 'Driving Progress' in a New Era for Logistics and Road Transport

Budapest, July 2025 – Hard Trans Kft, a leading logistics and road transport company with over 25 years of industry expertise, is pleased to announce the appointment of Davy van Loon as its new Chief Executive Officer, effective 1st July 2025. He succeeds Andrea Gyetvai, the company's founder and long-standing CEO, who has been the driving force behind Hard Trans Kft's success in the European transport and logistics sector.

A Legacy of Excellence and a New Leadership Vision

Since its founding, Hard Trans Kft has built a strong reputation for reliability, efficiency, and innovation in road transport and logistics services. Under Andrea Gyetvai's leadership, the company expanded its operations, developed key industry partnerships, and maintained a customer-first approach that solidified its position in the market.

As Andrea Gyetvai transitions from her role, the company welcomes Davy van Loon, an accomplished executive with a proven track record in logistics, e-commerce, supply chain management, and business transformation. His appointment marks the beginning of an exciting new chapter for Hard Trans Kft, with a focus on digitalization, sustainability, and strategic growth.

Introducing Davy van Loon: A Strategic Leader for the Future of Transport

Davy van Loon brings extensive experience in logistics, operations, and technology-driven business development to Hard Trans Kft. His career highlights include:

- **Leadership** roles in logistics e-commerce and supply chain optimization, with a focus on efficiency and innovation.
- **Expertise** in digital transformation, leveraging technology to enhance fleet management and route planning.
- **A strong background** in international business development, helping companies expand their market reach.

His strategic vision aligns with Hard Trans Kft's commitment to modernizing logistics solutions while maintaining the high service standards that clients have come to expect.

The Road Ahead: Innovation and Sustainable Growth

Under Davy van Loon's leadership, Hard Trans Kft will focus on:

- Enhancing operational efficiency through advanced logistics technologies, including AI-driven route optimization and real-time tracking.
- Expanding service offerings to meet evolving industry demands, including green logistics solutions.
- Strengthening partnerships with clients and suppliers across Hungary, Europe, and Asia to ensure seamless, reliable transport services.

"I am honoured to take on the role of CEO at Hard Trans Kft and build upon the incredible foundation laid by Andrea Gyetvai," said Davy van Loon. "The logistics industry is evolving rapidly, and we are committed to staying at the forefront by embracing innovation while maintaining our core values of reliability and customer satisfaction."

Andrea Gyetvai expresses confidence in the leadership transition: "After more than 25 years of leading Hard Trans Kft, I am proud to pass the torch to Davy. His strategic mindset and industry expertise make him the ideal leader to guide the company into the future."
